LEWIS J. LIMAN, United States District Judge:

This Order memorializes the rulings delivered orally at the initial pretrial conference held in this matter on June 6, 2025. Plaintiff's time to effect service on individual defendant Alison Newell has expired. By Monday, June 9, 2025, Plaintiff will submit a letter to the Court seeking an extension of time to serve Newell, documenting the steps she has taken to diligently attempt service of process and may, if appropriate, request alternative service. Plaintiff also has indicated that she will make a request that Newell waive service pursuant to Federal Rule of Civil Procedure 4(d). As documented in separate orders, Plaintiff has until July 18, 2025 to amend her complaint. The Court has also referred this matter to Magistrate Judge Stewart D. Aaron for settlement discussions.
